Toba Elite Player/Parent Expectations:

- One of the ultimate goals of the Toba Elite program is to teach player responsibility. We will hold all players accountable for their actions and decisions.
- Players represent the club on and off the floor and must conduct themselves accordingly
- Players attitude and work ethic will directly affect playing time. Bad attitudes will not be tolerated. Playing time will always be earned.
- **Players will aim to attend ALL practices and arrive a minimum of 30 minutes early.**
- We ask that Players/Parents give 24-hour notice if a player will not be in attendance
- Players should strive to become a better player every day. Working not only on individual skill but being a great teammate as well.
- Parents must allow Toba Elite Coaches to instruct their children during games and practices
- Parents are not to approach coaches regarding playing time. If an issue arises for any reason, we ask that you use the 24-hour rule before speaking with Coach Henkewich or Coach Morrison.

Through coaching and mentoring we hope to unlock the potential of each athlete within our program. Our goal is to foster an environment in which Manitoba Lacrosse Players are proud to represent their province, as we look to build for future generations. We ask that all our athletes strive to be the best version of themselves through hard work, positive attitude and team play.
